Today we welcome you to a brilliant home set in a peaceful street of Rutherford on an impressive 1,120sqm block. This gorgeous architecturally designed home offers a combination of sophisticated palette and robust finishes to create an impeccable family environment of superior quality and style.

A classically styled interior boasts cathedral ceilings and recessed lighting to create an understated backdrop that you just won't want to leave.

Set mid-way between the Rutherford Shopping Village & McKeachie Woolworths complex and just moments from Maitland CBD, local schools & public transport; this welcoming family home offers an easy and convenient lifestyle for busy families.

In the home's core living space, laid back luxury is the name of the game. Awash with natural light, the zone features flooring that's both practical and stylish and the cathedral ceilings emphasise the size of the room. If your family and friends aren't relaxing in the living area,

they'll gravitate to the kitchen and enjoy the morning light that floods in.

All white soft-close cabinetry and stone benches have created a calming and streamlined ambience in which to work and entertain and the luxury of a walk-in pantry will not be lost on any family coming to inspect. A focal point in the kitchen is a low long window that was designed to bring natural light onto the counter and the outdoors in, but you'll relish the way the space lets you cook while still keeping an eye on the kids.

A world away from the hustle and bustle of family life, the separate and enclosed media room offers a retreat where you can decide to switch off, watch a movie or enjoy a nice glass of wine or alternately corral the kids gear and noise into here and enjoy the freedom that allows in the rest of the home.

The bedrooms really are sanctuaries so quiet and beautifully proportioned. All offering ceiling fans and built in robes, the master boasts an impressive double ensuite and spacious walk-in robe.

The practicality of living here can't be overstated with split system air conditioning and natural gas outlets to help keep the home comfortable throughout the year, second double garage with a massive workshop and additional entertaining area in the back yard, rear vehicle access, a 22,500L water tank and a mass of storage in the roof of the garage and half of the house.

With so much to offer you will want to arrange access for a private COVID Safe inspection soon.

## About Rutherford

The beating heart of West Maitland, Rutherford is positioned on the western side of the Maitland CBD and is home to a range of bustling cafes and boasts a dynamic shopping village. With the second highest population in the Local Government Area, the suburb offers a range of schooling options from the local public primary school to the newly refurbished Rutherford Technology High School as well as St Pauls Catholic Primary School.

Rutherford has always been popular with purchasers and some of the reasons from buyers are:

- Easy access to the Maitland CBD
- Larger homes and block sizes in the area
- Ease of access to the Hunter Valley and the mining areas
- Family friendly areas with plenty of park space

We acknowledge the Traditional Custodians of Country throughout Australia and pay respects to their elders past, present and emerging. The suburb of Rutherford falls on the traditional lands of the Mindaribba people.
